YOURS

Yours to keep
site and domain in your name

01 WHERE WE STARTED

What we built it around.

01 Why pay more, answered first.

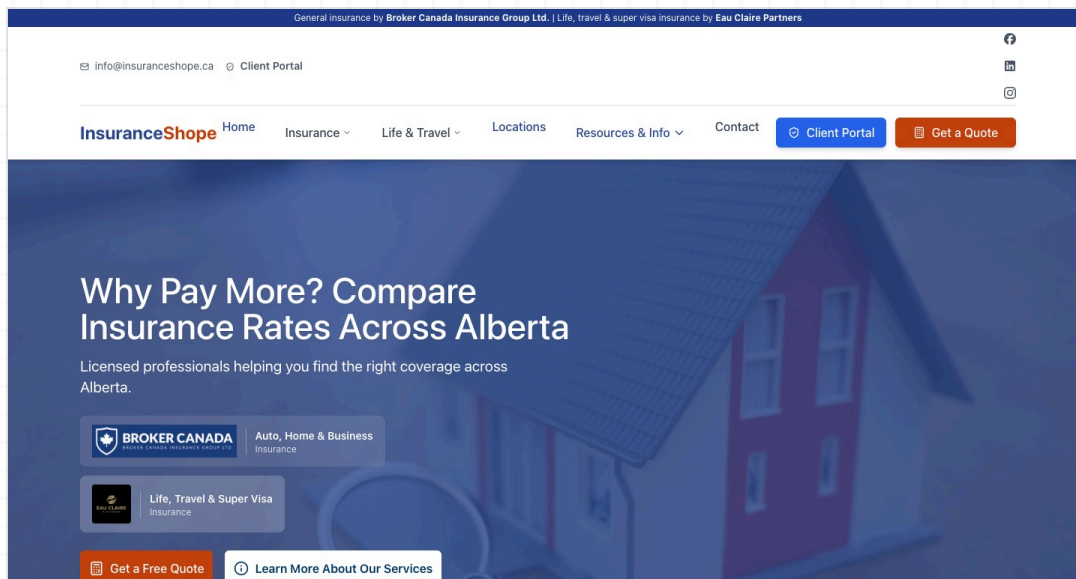

It is already your own headline: "Why Pay More? Compare Insurance Rates Across Alberta." Every version of the new top says on its first screen that you compare quotes from multiple providers, before anyone has to scroll.

02 You work for them, not the insurer.

Your brokers compare quotes from multiple providers and tailor the coverage to the client. That is the whole reason to use a broker, so it gets the first screen instead of a paragraph further down.

03 Every page ends at a quote.

Home, auto, business, condo, tenant, travel, life, super visa and the rest each lead to their own page, and every one ends at Get a Quote, with your hours and email beside it.
